## 2019 Clean TRIP

The Port of New Orleans is investing in cleaner air by offering up to \$35,000 in incentives for voluntary replacement of drayage trucks.

### Key Dates

- **Monday September 23, 2019** – Port Accepting 2019 Clean TRIP Applications
- **Wednesday, October 9, 2:00 p.m.** – Application Deadline
- **Wednesday, October 16, 2019** – Notice of Eligibility to Applicants
- **Monday, October 21, 11:00 a.m.** – Lottery, Open to the Public

### Replacement Eligibility - Current Truck

- Model year 1995-2006
- Class 8 truck that is lien-free
- Truck has been owned and served the Port of New Orleans at least one year
- Truck is currently in operation

### Get up to \$35,000 toward a newer, cleaner burning truck ...

- Engine model year 2012 or newer (generally 2013 or newer truck model year)
- Old truck must be scrapped and properly documented
- Must keep replacement truck in service at Port of New Orleans for one year
- Rebate of 50% (up to \$35,000) of the vehicle sale price

### What you will need to apply ...

- A signed application, available at [cleantrip-portno.com](http://cleantrip-portno.com)
- A copy of your Transportation Worker Identification Card (front and back)
- A copy of the current truck title and registration
- Proof of insurance
- Photos of your current truck as listed in the application
- Proof of past 12 months of port service (gate tickets or dispatch records)
- Photo release form

*This program is made possible with funding by the U.S. Environmental Protection Agency and the Louisiana Department of Environmental Quality. The Port of New Orleans received a competitive grant to provide truck replacement rebates to support our local port trucking industry, to help reduce local air emissions, and to increase reliability and efficiency of on-road goods movement. Clean TRIP is limited to two truck replacements per fleet.*
